### Private House - Crowborough

A new build 15000sqft luxurious family dwelling set in a rural location. The property is arranged over four floors with a semi submerged basement containing a large swimming pool, gym, sauna and games room. The upper floors have been arranged to provide a master suite with roof terrace and a further 5 bedroom suites.

Lime Associates has prepared a fully detailed construction drawing package and is now working closely with the main contractor to deliver the project to the highest standard on programme.
